

Newsletter 2018 – Issue 2

General Information for Drivers

We are looking forward to the 2018 season starting on 4th March please look on your specific formula page for details of qualifying rounds & championship dates.

A newsletter will be sent to you each month with news about forthcoming events grading lists etc. you should also check on Face book, Skegness Raceway Drivers Page regularly as anything urgent will be placed on there.

Our new website address is www.skegway.info with all of the 2018 fixtures on.

If you have not yet registered & applied for your log book, it's really important to arrive at the raceway early, and bring along a completed form, TWO PASSPORT SIZE PHOTOS & money. If you do not bring photos, you must pay for a day licence each time you race.

A full licence must still be paid for (day licence payments do not accumulate to pay for a full licence) please bring photos !!!!

If you have sent off for your log book, we don't post them out, as long as they are complete they will be at the pit office when you first race at Skegness Raceway.

Because of the changes at the Raceway, signing in is now done in new pit office, (not at the pit gate). On arrival, park up and go to sign in **BEFORE** going to scrutineering. Your mechanic must go with you to get admission, you will need your log book with you for stamping. (Mechanics trotting along with your logbook at a later time will not gain admission). The only entrance from the pits to the stadium arena for pedestrians is via the new gateway or at the turnstiles.

Only towing vehicles with race cars for the event that day are allowed into the pits.

We have some exciting events lined up for 2018, and in addition the Brisca F1 Championship of the World on 14th & 15th September and on Unlimited Pre 85 Bangers Team Championship on 17th June, advance discount tickets are available from the Track shop on race day or on www.skegway.com for both of these classic events.

Rules for 2018 are on www.skegway.info , please check them. It is the Drivers responsibility to present your car for racing to the correct spec.

It is also the Drivers responsibility, to line up in the correct grade. If you have won a race on that day then you must line up at the back of your grade for the remaining races, all Championship holders must also line up in the correct place. You may well be docked places for not lining up in the correct place.

Scrutineers

For any technical issues you need advice on, you can contact any of the 3 scrutineers listed below. For technical inspections on new cars, these still need to be booked through the stadium office.

Chris Lowe 07717 378908, Martin Lightbown 07506 321937, Dave Backham 07780 114045

Roof Fins

Drivers please can you make sure your roof fin is very clearly numbered, especially Rookie Banger drivers. Snowy had real problems reading the numbers of several cars last season. Any drivers whose race number the lap scorer has issues reading, will be logged and must be rectified prior to the next meeting. They must be black numbers on a white background, or white numbers on a black background, unless the background colour denotes the drivers grading.

Booking in to Race

Once again, thank you to all the drivers that take the time to book in to race, as by booking in to race, it enables us to give out accurate booking lists for the public, and also enables us to plan the race formats for the meeting. It is especially important to book in for Championship meetings to enable us to finalise grids etc. We know that is not always possible, but if you do intend on racing, but unsure on whether you are able to due work etc, then you can always book in on a provisional booking, so we know that you are intending on racing if circumstances enable you to, and then you can confirm or withdraw the booking nearer to the date of the meeting. Just as it is important to book in, it is equally important to cancel a booking if you have already booked in to race, and for whatever reason you can no longer honour that booking. It would be nice to think that we could get to 100% bookings.

Booking in has never been easier, you can either book in by text (or reply to the booking texts when sent out) on **07798868947**, by email to drivers@skegway.info or via the **Skegness Raceway Drivers page** on Face book, either by private message or when a provisional booking list goes on, put your booking in the comments.

Pit area

*The pit area (including the camping area) is not a test track, so its 5mph everywhere! No passengers to be carried in the cars in the pits, and also you can't ride on moving trailers, flatbeds etc when in the pits. Pit Safety is a must!

*Drivers need to stop pit lane racing, in particular drivers parking their car in line but not staying within their car and instead walking off. This causes all sorts of problems, and potentially quite serious especially when it's near the ambulance area.

Internet Abuse

Please note anything put on Face book or other social media by a driver or someone associated with a driver can be subject to disciplinary action.

Non Contact Formulas

As a reminder please show your fellow drivers respect when on track and remember it is NON-CONTACT racing. Sometimes contact does happen but we must do our best to avoid it. Also if a car is approx. 3/4ths up the inside of you, you must give that car the respect and they now have the inside line and not turn in on them. This has been an unwritten rule (which will be added to the existing written rules) for about 60 years in Oval Racing.
