

## Newsletter 2018 – Issue 8

### Championship Congratulations

Congratulations to **196 Craig Mitchell** on winning the 1300 Saloon European Championship, **89 Richard Newberry** for becoming GT hot Rods English Champion, both of these titles were run at Buxton Raceway on the 27<sup>th</sup> August.

Then here at Skegness **1 Josh Machin** on becoming the Junior Rods English Champions, **151 Carley List** on becoming the new Lady Bangers British Champion, **1 Colin Gilbert** on getting the British Championship, and last but not least, **1 James Cooke** on winning the Gold Roof Championship in Rookie Bangers.

Congratulations to each and every one of you.

### Fuel Caps

After an issue with a fuel cap coming astray during the course of the race, and this was with a National formula, not domestic, with this formula, the drivers mark their fuel caps with their race number, helping officials deal with the issue of a car with no fuel cap far easier. So can we suggest that drivers of our domestic formulas follow suit, and write your race number on your fuel cap, as it is as much benefit to yourselves and fellow drivers as it is to the track staff. This is not compulsory, but is advisory.

## **JUNIOR RODS**

**Driver parents reps: Julian Moat 01945 589573, Scott Taylor 07534343969**

- A parent or guardian must accompany a Junior Driver when they go to scrutineering, remember to take your safety gear with you.
- Parents & those that accompany Junior Rods are reminded that we operate a zero tolerance with this formula. Any incidents of intimidation, verbal & physical abuse will be reported to the BOC and may well result in your driver being banned from racing. If there are any further incidents the parents of the children will be removed from the Stadium Arena whilst Junior Rod racing is on.

The BOC have been made aware of problems concerning some Drivers and also parents of certain Drivers, you are reminded that Skegness Raceway has a zero tolerance policy for Junior Rods which will not allow bullying, verbal or physical abuse. Some parents have been observed making obscene hand gestures at the junior drivers on their lap of honour. This is totally unacceptable behaviour and definitely not within the remit of Junior Rod racing. There have also been threats in the pits amongst the drivers parents.

The BOC are also aware of adverse comments made on social media, and will be looking at excluding drivers who continue in this vein.

Remember it's the kids who will lose their racing if they are banned, it will be a full ORCi ban which also includes Swaffham Raceway.

**Kids tell your parents to behave, racing is for fun, how you race & behave now in this formula will mould you into a driver in an adult formula.**

**You also need to keep off social media & making adverse comments about fellow drivers, families & promotion, your racing is at risk.**

## Reminders

### Scrutineers

For any technical issues you need advice on, you can contact any of the 3 scrutineers listed below. For technical inspections on new cars, these still need to be booked through the stadium office.

Chris Lowe 07717 378908, Martin Lightbown 07506 321937, Dave Backham 07780 114045

### Internet Abuse

Please note anything put on Face book or other social media by a driver or someone associated with a driver can be subject to disciplinary action.

### Non Contact Formulas

As a reminder please show your fellow drivers respect when on track and remember it is NON-CONTACT racing. Sometimes contact does happen but we must do our best to avoid it.

Also if a car is approx. 3/4ths up the inside of you, you must give that car the respect and they now have the inside line and not turn in on them. This has been an unwritten rule (which will be added to the existing written rules) for about 60 years in Oval Racing.

### Bridge Stairs

Reminder to all, please do not stand or sit on the stairs to the bridge near race control, the stairs must be clear at all times.

### Drivers Log Books

Drivers, it is important that you remember to sign your log book as soon as you receive it.

## **Pit area**

\*The pit area (including the camping area) is not a test track, so its 5mph everywhere! No passengers to be carried in the cars in the pits, and also you can't ride on moving trailers, flatbeds etc when in the pits. Pit Safety is a must!

Drivers need to stop pit lane racing, in particular drivers parking their car in line but not staying within their car and instead walking off. This causes all sorts of problems, and potentially quite serious especially when it's near the ambulance area.

## **Junior Rods**

### **1. Tyres and Wheels**

**Standard wheels 5 ½ J MAXIMUM.** The only wheel with camber allowed is front passenger wheel which may have up to 1inch

155 x 70 x 13, Current remould tyres may still be used, or any budget road going tyre.

BMW wheels are not allowed. **A list of tyres NOT allowed is available**

***(Tyres will be monitored at all times and if anyone uses a tyre that is not within the nature of the formula, a control tyre may be enforced)*** No competition tyres, no mud and snow.

## **Pit Lane Racing**

Drivers are reminded not to abandon their race car in or around pit lane/pit gate area in an attempt to be the first in the queue. A driver must remain with their car in pit lane at all times for safety reasons. Cars may be towed away if they become a safety issue or they become a hindrance to the running of a meeting (as was the case at the recent domestic speed weekend, with GT Hot Rods especially).

## **Booking in to Race**

Thank you to all the drivers that take the time to book in to race, as by booking in to race, it enables us to give out accurate booking lists for the public, and also enables us to plan the race formats for the meeting. It is especially important to book in for Championship meetings to enable us to finalise grids etc. We know that is not always possible, but if you do intend on racing, but unsure on whether you are able to due to work etc, then you can always book in on a provisional booking, so we know that you are intending on racing if circumstances enable you to, and then you can confirm or withdraw the booking nearer to the date of the meeting. Just as it is important to book in, it is equally important to cancel a booking if you have already booked in to race, and for whatever reason you can no longer honour that booking. It would be nice to think that we could get to 100% bookings.

Booking in has never been easier, you can either book in by text (or reply to the booking texts when sent out) on **07798868947**, by email to [drivers@skegway.info](mailto:drivers@skegway.info) or via the **Skegness Raceway Drivers page** on Face book, either by private message or when a provisional booking list goes on, put your booking in the comments.

**Please note, any Junior Banger driver NOT registered to Skegness Raceway, MUST book in via their own promotion and must have a licence/log book to race at Skegness**

## **Signing in**

Because of the changes at the Raceway, signing in is now done in new pit office, (not at the pit gate). On arrival, park up and go to sign in **BEFORE** going to scrutineering. Your mechanic must go with you to get admission, you will need your log book with you for stamping. (Mechanics trotting along with your logbook at a later time will not gain admission). The only entrance from the pits to the stadium arena for pedestrians is via the new gateway or at the turnstiles. Only towing vehicles with race cars for the event that day are allowed into the pits.

**All drivers are reminded that drinking alcohol before & during a race meeting is not allowed.**

If you are involved in an accident on track, the authorities may well breathalyse you, and there maybe consequences. Also if you have to be seen by the First Aid & go to hospital, there is a chance that you cannot receive treatment .We do have breathalysers at the stadium, and as per the rule book, any driver can be tested through the meeting.
