

Newsletter 2018 – Issue 9

Gold Roof Championships 21st October 2018

It's an important weekend for the 3 non contact formulas this weekend, GT Hot Rods, MD Hot Rods & Junior Rods, as all the drivers hard work to earn their places on the Gold Roof Championship grid come to fruition on Sunday, when we see who earns the right to wear the Gold Roof for a year.

Please make sure you arrive at the stadium in plenty of time for scrutineering etc, and please make sure your car is correct to the rules, and if you have any queries, please feel free to contact a scrutineer prior to Sunday's meeting.

And as a reminder, please show your fellow drivers respect when on track and remember it is **NON-CONTACT** racing. Sometimes contact does happen but you must do your best to avoid it, but we do know that sometimes it is unavoidable, as an example in Gt's at their last meeting when a car engine decided it had had enough, died on track causing some drivers considerable damage from the oil it deposited on the track, and drivers were unable to avoid the deposit.

If a car is approx. 3/4ths up the inside of you, you must give that car the respect and they now have the inside line and not turn in on them. This has been an unwritten rule (which will be added to the existing written rules) for about 60 years in Oval Racing.

There will be a drivers briefing for all of the 3 formulas at 12.30 in the old dance hall/scrutineering shed, Junior Rod drivers, please make sure you have your parent/guardian with you.

And after that, the only thing left to say is good luck to all the drivers.

Signing in/Pit office

Drivers, when going to sign in, please don't drive to the Pit office, and leave your car in the walk way, please walk .

And also transporters can't park in the area next to the old building on either side close to the pits office, thanks

BANGERS

With our last National Banger meeting being run on the 14th October, can we say a huge thank you to all the Bangers drivers who have supported us during 2018, and made the meetings a success.

The date for the 2019 Unlimited Banger team meeting has already been announced as Sunday 16th June, more details for bookings etc will be released soon, so keep an eye out for that.

We look forward to seeing you all back again during the 2019 season.

Under 25's Sunday 4th November

Under 25's Championship

The annual Rookie Bangers under 25yrs Championship race will be on Sunday 4th November. The race is open to any eligible Rookie Banger Driver aged 25yrs & under, up to and including the 4th November. This Annual award is once again sponsored by TCM Racing, and may we take this moment to thank you for their continued support.

They have put up £100 prize money, which will be split as £50 to the winner, £30 for 2nd place, and £20 to 3rd place, as well as trophies for the top 3 in the race.

Drivers who are currently eligible may be found below, but if you think you are eligible and not on the list, please email on drivers@skegway.info or send a pm to the Skegness Raceway drivers page on Facebook, or send a text message to the text booking line.

JUNIOR RODS

Driver parents reps: Julian Moat 01945 589573, Scott Taylor 07534343969

No new build Nova's will be allowed for 2019

- A parent or guardian must accompany a Junior Driver when they go to scrutineering, remember to take your safety gear with you.
- Parents & those that accompany Junior Rods are reminded that we operate a zero tolerance with this formula. Any incidents of intimidation, verbal & physical abuse will be reported to the BOC and may well result in your driver being banned from racing. If there are any further incidents the parents of the children will be removed from the Stadium Arena whilst Junior Rod racing is on.

The BOC have been made aware of problems concerning some Drivers and also parents of certain Drivers, you are reminded that Skegness Raceway has a zero tolerance policy for Junior Rods which will not allow bullying, verbal or physical abuse. Some parents have been observed making obscene hand gestures at the junior drivers on their lap of honour. This is totally unacceptable behaviour and definitely not within the remit of Junior Rod racing. There have also been threats in the pits amongst the drivers parents.

The BOC are also aware of adverse comments made on social media, and will be looking at excluding drivers who continue in this vein.

Remember it's the kids who will lose their racing if they are banned, it will be a full ORCi ban which also includes Swaffham Raceway.

Kids tell your parents to behave, racing is for fun, how you race & behave now in this formula will mould you into a driver in an adult formula.

You also need to keep off social media & making adverse comments about fellow drivers, families & promotion, your racing is at risk.

Reminders

Scrutineers

For any technical issues you need advice on, you can contact any of the 3 scrutineers listed below. For technical inspections on new cars, these still need to be booked through the stadium office.

Chris Lowe 07717 378908, Martin Lightbown 07506 321937, Dave Backham 07780 114045

Internet Abuse

Please note anything put on Face book or other social media by a driver or someone associated with a driver can be subject to disciplinary action.

Non Contact Formulas

As a reminder please show your fellow drivers respect when on track and remember it is NON-CONTACT racing. Sometimes contact does happen but we must do our best to avoid it. Also if a car is approx. 3/4ths up the inside of you, you must give that car the respect and they now have the inside line and not turn in on them. This has been an unwritten rule (which will be added to the existing written rules) for about 60 years in Oval Racing.

Bridge Stairs

Reminder to all, please do not stand or sit on the stairs to the bridge near race control, the stairs must be clear at all times.

Drivers Log Books

Drivers, it is important that you remember to sign your log book as soon as you receive it.

Pit area

*The pit area (including the camping area) is not a test track, so its 5mph everywhere! No passengers to be carried in the cars in the pits, and also you can't ride on moving trailers, flatbeds etc when in the pits. Pit Safety is a must!

Drivers need to stop pit lane racing, in particular drivers parking their car in line but not staying within their car and instead walking off. This causes all sorts of problems, and potentially quite serious especially when it's near the ambulance area.

Junior Rods

1. Tyres and Wheels

Standard wheels 5 ½ J MAXIMUM. The only wheel with camber allowed is front passenger wheel which may have up to 1inch

155 x 70 x 13, Current remould tyres may still be used, or any budget road going tyre.

BMW wheels are not allowed. **A list of tyres NOT allowed is available**

(Tyres will be monitored at all times and if anyone uses a tyre that is not within the nature of the formula, a control tyre may be enforced) No competition tyres, no mud and snow.

Pit Lane Racing

Drivers are reminded not to abandon their race car in or around pit lane/pit gate area in an attempt to be the first in the queue. A driver must remain with their car in pit lane at all times for safety reasons. Cars may be towed away if they become a safety issue or they become a hindrance to the running of a meeting (as was the case at the recent domestic speed weekend, with GT Hot Rods especially).

Booking in to Race

Thank you to all the drivers that take the time to book in to race, as by booking in to race, it enables us to give out accurate booking lists for the public, and also enables us to plan the race formats for the meeting. It is especially important to book in for Championship meetings to enable us to finalise grids etc. We know that is not always possible, but if you do intend on racing, but unsure on whether you are able to due to work etc, then you can always book in on a provisional booking, so we know that you are intending on racing if circumstances enable you to, and then you can confirm or withdraw the booking nearer to the date of the meeting. Just as it is important to book in, it is equally important to cancel a booking if you have already booked in to race, and for whatever reason you can no longer honour that booking. It would be nice to think that we could get to 100% bookings.

Booking in has never been easier, you can either book in by text (or reply to the booking texts when sent out) on **07798868947**, by email to drivers@skegway.info or via the **Skegness Raceway Drivers page** on Face book, either by private message or when a provisional booking list goes on, put your booking in the comments.

Please note, any Junior Banger driver NOT registered to Skegness Raceway, MUST book in via their own promotion and must have a licence/log book to race at Skegness

Signing in

Because of the changes at the Raceway, signing in is now done in new pit office, (not at the pit gate). On arrival, park up and go to sign in **BEFORE** going to scrutineering. Your mechanic must go with you to get admission, you will need your log book with you for stamping. (Mechanics trotting along with your logbook at a later time will not gain admission). The only entrance from the pits to the stadium arena for pedestrians is via the new gateway or at the turnstiles. Only towing vehicles with race cars for the event that day are allowed into the pits.

All drivers are reminded that drinking alcohol before & during a race meeting is not allowed.

If you are involved in an accident on track, the authorities may well breathalyse you, and there maybe consequences. Also if you have to be seen by the First Aid & go to hospital, there is a chance that you cannot receive treatment .We do have breathalysers at the stadium, and as per the rule book, any driver can be tested through the meeting.

Fuel Caps

After an issue with a fuel cap coming astray during the course of the race, and this was with a National formula, not domestic, with this formula, the drivers mark their fuel caps with their race number, helping officials deal with the issue of a car with no fuel cap far easier. So can we suggest that drivers of our domestic formulas follow suit, and write your race number on your fuel cap, as it is as much benefit to yourselves and fellow drivers as it is to the track staff. This is not compulsory, but is advisory.
